

L655

4-in-1 printer with integrated ink tank for fast, reliable and double-sided A4 printing that ensures an ultra-low cost per page

Offices after an ultra-low cost per A4 page will love the L655's high-capacity ink tank, which saves money and does away with messy ink cartridges. Able to print from phones and tablets, the L655 allows duplex printing, great quality scanning and high-capacity copying for ultimate versatility in offices.

Say goodbye to cartridges

An integrated ink tank system delivers cost-effective A4 prints. Refilling using individual ink bottles is quick and easy thanks to fast ink top-up technology, clearly labelled bottles and drip-free nozzles.

Reduce costs by up to 90%¹

Look forward to an ultra low-cost per page. Saving up to 90%¹ on printing costs, the L655 can print up to 11,000 pages² from the initial two sets of bottles.

Save resources & time

The L655 introduces duplex printing, enabling offices to halve their use of paper, saving money and resources. The L655 prints fast, producing A4 pages at an ISO print speed of up to 13.7ppm³.

Boost productivity

Work smarter with the L655's 30-page automatic document feeder (ADF) for fast and easy print, copy and scan features. 1,200 dpi scanning ensures great quality scans while multi-copy allows you to make up to 99 copies of a page to save time. Wi-Fi connectivity with Epson Connect⁴ makes printing from smartphones and tablets easy.

Quality results every time

Expect quick-drying, smudge-free and consistent quality results from Epson's Micro Piezo technology and Epson genuine dye ink for colour, and pigment ink for black. For added peace of mind, the L655 comes with a one year or 50,000 page manufacturer's warranty.

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712 with replacement sets of ink. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

* Warranty offers are not available for all countries. Please contact your local Epson representative.
