Aimed at medium-sized workgroups who are looking for high productivity, this model offers reliable, high-performance printing as well as Gigabit Ethernet and fast, double-sided printing.

The Workforce AL-M400DN also offers consistently fast printing up to 45ppm¹, with a first-page-out time of 5.5 seconds, as well as high-quality results up to 1,200dpi resolution. Internal memory can also be increased to 1152Mb, to help process all business printing needs.
