

Perfection V370 Photo

High-resolution, superior-quality A4 photo scanner with built-in transparency unit for easy scanning of slides, films and negatives.

Get superior-quality, A4 photo scanning with the Epson Perfection V370 Photo, which features a built-in transparency unit for easy scanning of slides, film and negatives. Thanks to the scanner's high optical resolution of 4,800dpi and CCD (charged-coupled device) technology, you can be confident that every detail will be faithfully captured with exceptional clarity.

Epson ReadyScan LED technology delivers scans instantly with virtually no warm-up time, and is very power-efficient, helping to reduce your energy bills and impact on the environment.

Scanning bulky books or 3D objects is no problem, as the Perfection V370 Photo's lid has an extendable hinge that can open up to 180 degrees. Even if parts of the book or object being scanned are not in contact with the scanner's glass, they will still be in focus and captured accurately. This is because Epson's CCD image sensor technology offers a greater depth of field than the CIS (contact image sensor) technology used in most comparable scanners.

Simple to use, the Perfection V370 Photo's enables you to conveniently scan to email at the touch of a button, or scan to multi-page, searchable PDF. Other useful photo and document editing features are available using the included software: Epson Easy Photo Fix makes it easy to bring your originals back to life by restoring faded colour, removing the appearance of dust and scratches and adjusting backlight; Optical Character Recognition (OCR) allows you to copy, paste and edit text from scanned documents; and Epson Document Capture enables direct scanning to cloud storage services, so you can access your scans from any computer or mobile device.

DATASHEET

KEY FEATURES

- **High resolution**
4,800dpi for superior quality
- **Transparency unit**
Scan slides, film and negatives
- **Flexible**
Scan bulky books and 3D objects
- **Convenient**
Scan to email or cloud storage
- **No warm-up time**
Saves power and money

PRODUCT SPECIFICATIONS

SCANNING FEATURES

| | |
|----------------|---|
| Output formats | BMP, JPEG, TIFF, multi-TIFF, PDF, searchable PDF |
| Features | RGB colour dropout / enhance, Automatic area segmentation, RGB colour enhance, Text enhancement, Unsharp Mask (USM) |

GENERAL

| | |
|------------------------------|--|
| Sound Power | Operation: 6 B (A) |
| Supply Voltage | AC 200 V - 240 V, 50 Hz - 60 Hz |
| Product dimensions | 280 x 430 x 67 mm (Width x Depth x Height) |
| Product weight | 2,8 kg |
| Included Software | ABBYY FineReader® Sprint 8.0 (MacOS), ABBYY FineReader® Sprint 9.0 (Windows), Epson Copy Utility, Epson Document Capture Pro (Windows only), Epson Event Manager, Epson Scan |
| Compatible Operating Systems | Mac OS 10.5.8 or later, Windows 10, Windows 7, Windows 7 x64, Windows Vista, Windows Vista x64, Windows XP, Windows XP x64 |
| Humidity | Operation 10% - 80% |
| Temperature | Operation 5° C - 35° C |

TECHNOLOGY

| | |
|---------------------|--|
| Scanner type | Flatbed Scanner |
| Scanning Resolution | 4.800 dpi (Horizontal x Vertical) |
| Optical Resolution | Main 4.800 dpi x Sub 9.600 dpi |
| Optical Density | 3,2 Dmax |
| Colour Depth | Input: 48 Bits Colour , Output: 48 Bits Colour |
| Paper Formats | A4 |

SCANNER

| | |
|-------------------|---------------------------------------|
| Optical Sensor | Matrix CCD |
| Light Source | ReadyScan LED technology |
| Scanning Method | Fixed documents and moving carriage |
| Output Resolution | 50-6400 (1 dpi step), 9600, 12800 dpi |

CONNECTIVITY

| | |
|------------|----------------|
| Interfaces | USB 2.0 Type B |
