

Whether travelling on business or having meetings away from the office, this slimline, ultra-mobile projector is ideal for effective presenting.

This lightweight XGA projector combines an extra-flat design with Epson's 3LCD technology and a 2,600 lumens white and Colour Light Output (CLO) for exceptional picture quality and bright, natural colours.

Ultra-mobile, extra-flat: With a lightweight, slimline design, presenting on the move has never been easier. Weighing just 1.7kg, this is the ideal projector for anyone travelling to meetings.

First-class picture quality: Audiences will enjoy perfect picture quality, natural colours and brightness, thanks to the combination of Epson's 3LCD technology and a high CLO.

Speedy start-up: Simple to set up with features such as quick-start and instant-off, slides and images can be aligned and distortion corrected with the projector's automatic vertical keystone and manual horizontal keystone correction.

Enhance your presentation: Control and improve presentations with a host of Easy MP features, including 3-in-1 USB display - compatible with Macs as well as PCs - USB PC-free functionality and optional wireless for cable-free projecting.

Keep cool: Distracting hot air is directed away from your audience with the front exhaust.
